PACKET

April 2023

**Welcome Letter from
Master Homeowner's Association President
Jim Lukas**

First of all, as President of the Palmira Master Homeowners Association, I would like to offer you a very warm welcome to Palmira as one of our 821 residents. If you are a new resident of Southwest Florida, I am sure you will have fun taking advantage of our climate and many sun-filled activities.

As a long-time (over 15 years) owner here, I know you will enjoy all the amenities within our community. It will take you a while to be aware of and utilize all of them; there are just too many to list in a single introductory note.

We've created this comprehensive package especially for you. It is huge and covers many things you need to know associated with Palmira in one place.

You can thank the Welcoming Committee for pulling this material together and making your transition as easy as possible. I know it will be much, much easier for you than when I first moved here.

Welcome aboard,

Jim Lukas
President, Palmira Master Homeowner's Association

Palmira Residents

Each “door” at Palmira pays annual association dues, typically collected quarterly.

- A portion of those dues go to the Palmira MHOA to support community functions and facilities and to pay for each resident’s Renaissance Center membership.

Association dues are the sole source of funds for projects and activities authorized by the MHOA.

The **Palmira Master Homeowners Association** is led by a **Board of Directors** made up of representatives from the individual neighborhood associations within Palmira.

A property management service is employed for facilities and common area management

Palmira Master Homeowners Association (MHOA)

Golf Club Members

Club Members pay an initiation fee to join the Club, then annual dues. Each membership must also satisfy an annual dining minimum to share support for food services.

The Club is managed by a **General Manager/COO** who reports to the **Club Board of Directors**. The Board is comprised of members elected by Full Golf Members of the Club.

Club projects and activities are all funded solely by the club and its members.

A **Community Development District (CDD)** is a local, special purpose, government authorized by Chapter 190 of the Florida Statutes as amended and is an alternative method for managing and financing infrastructure required to support community development.
